

TECHNICAL NOTES FOR THE 1995 VINTAGE

An easy vintage after a hot and dry summer. Fruit already ripening well by September 5th. Maximum ripeness was reached before the rain. Heavy rainfall after September 14th 1995.

TASTING NOTES

Deep colour. The nose remains closed even after aeration. A complete and balanced wine, well-rounded, with a long finish and polished tannins, still compact and reserved.

Built for long aging. Drink 2005 – 2025.

(vertical tasting Franck DUBOURDIEU – February 2nd, 2006)
